“I find television to be very educating. Every time somebody turns on the set, I go in the other room and read a book.”

Groucho Marx

We would like to “turn your child on” to reading and not TV. We can do this by staffing Our Shepherd’s Library with volunteers that will guide students to books that can take them to new worlds, open their minds to new ideas and entertain them with great pictures and fun stories.

If you are willing to be one of these librarians (don’t worry, we will train you!) please return this form and indicate which day and time that you could commit to each week. Ideally, we are looking for volunteers who could work from 9AM to 11:30 AM or from 12:30PM to 3:15PM. But if this does not fit into your schedule and you would still be willing to help out in the library, just indicate that below.

Thanks for considering this very important volunteer opportunity.
