

# Our Shepherd 2011/2012 Parent Teacher League (PTL)

Dear Our Shepherd Lutheran School families,

It's that time again to start thinking about the new school year! We already have many activities planned and much in store for the 2011/2012 school year!

All of this could not be made possible without the exhaustive support of parent volunteers, teachers, room parents, OSLS staff and the PTL Board. Here is a list of the PTL Board members for the coming 2011/2012 school year. Please feel free to contact a board member for more information in any area that PTL supports.

As in past years many of the programs highlighted above will need your participation to make these a success. Please take time to access the school website for more information about dates, activities and programs. Please print all necessary forms/sign-up sheets and return with your registration information **no later than Friday August 12, 2010**. This includes your **RSVP** for the Back to School BBQ which is also included in this mailer. When you visit the website, notice there is a new *Scrip Policies and Procedures Manual* that describes in detail how the Scrip program works. These policies and procedures will be effect for the 2011/2012 school year.

Additionally, please consider volunteering for one of the open positions on the PTL board. Here is a brief description of the duties for each position:

PTL Secretary – This position is part of the PTL executive board and is held for 2 years. You must be a member of Our Shepherd Lutheran Church to hold this position. You will attend all PTL board and general membership meetings (approximately 6-7 meetings per year) and document the minutes for each.

Product Acquisition – This position serves as coordinator for the Campbell labels and the Box Top programs for the school. The coordinator will collect the Campbell labels and Box Top's and sort into bundles to be sent back to the companies to earn rewards. The coordinator will track reward points and money earned and periodically report to the PTL board so that the school staff can best determine how rewards from these programs can be utilized for the school.

On the website you will find the PTL calendar for the 2011/2012 school year. Here are just a few of the early dates that you will want to make sure you add to your family calendars:
