

PTL PARENT WORK SESSIONS 2011/2012

Please submit all forms/checks to office by **August 12, 2011**

Coordinator: William Walton 248.925.7539 or wwalton2@yahoo.com

With an ongoing list of school property needs, the coordinators organize a group of parents, (it has typically been men but it is not limited to men) to tackle miscellaneous jobs. Some of them include minor repairs of furniture and doors, deep cleaning, dusting, painting, removing and replacing things anywhere on the school grounds. Jobs that would be unnecessary to hire out, yet jobs that need to be done to promote a better and more efficient environment for the staff to work in and our children to learn in. So, if you have a hobby, craft, or specialty, make it known to us, and we will try to put your gifts to good use and God's glory to improve and beautify our school property. This is also a great opportunity for you to fellowship and meet other OS parents. **Every school family must participate in at least one Parent Work Session for the 2011/2012 school year or will be required to pay a \$40 buy out fee. The Parent Work Session DOES NOT count toward your 10 hour Time & Talents requirement.**
