

# Our Shepherd

## Pledge of Support

I/We pledge to actively support Our Shepherd Lutheran School and will seek to serve Christ through my/our participation in this educational endeavor. I/We pledge the following:

1. I, as a parent will maintain faithful stewardship of my time, talents, and treasures to the Lord and will endeavor to teach the same to my child.
2. I will do nothing to counteract or frustrate the Christian instruction of my child according to the standard of the Lutheran confession but will be supportive of such instruction.
3. I will in good faith make every effort to lead my child to conduct him/herself as a Christian and will support the teaching, administration, and discipline provided by the faculty.
4. I will see that my child completes his/her daily assignments and is well prepared for class.
5. I will see that my child complies with the rules and regulations of the school set forth in the school's handbook.
6. I will pay all fees and tuitions promptly on or prior to the schedules established for the school year.
7. I will support the PTL, parent work sessions, and hot lunch program through established fees and requirements.
8. I understand that in order to receive the *Our Shepherd Member Grant*, I must attend at least 50% of regular church services. I am aware of the following procedures: That completion of a member attendance card (provided in each pew) is necessary to monitor attendance, that attendance is reviewed twice a year, December and June, and that if attendance is not at the 50% level, tuition will increase to the non-member rate for the next period (Aug. – Dec. or Jan. – June).

**After carefully reading, sign the Signature Remittance Form and return to the school office**
